

Long Long Way To Go

[Phil Collins](#)

While I sit here trying to think of things to say
Someone lies bleeding in a field somewhere
So it would seem we've still got a long long way to go
I've seen all I want to see today While I sit here trying to move you anyway I can
Someone's son lies dead in a gutter somewhere
And it would seem that we've got a long long way to go
But I can't take it anymore Turn it off if you want to
Switch it off it will go away
Turn it off if you want to
Switch it off or look away While I sit and we talk and talk and we talk some more
Someone's loved one's heart stops beating in a street somewhere
So it would seem we've still got a long long way to go, I know
I've heard all I want to hear today Turn it off if you want to (turn it off if you want to)
Switch it off it will go away (switch it off it will go away)
Turn it off if you want to (turn it off if you want to)
Switch it off or look away (switch it off or look away) Switch it off
Turn it off
