Negative Space

A Day to Remember

These walls, this house, wasn't the plan when I built it out.
We fell, from great heights, disgusted looks in my neighbors' eyes.You reflect me in my negative space.
Please forgive me for the time you'll waste.
If you let me I'll give you a tasteEveryone eventually lets you down.Your heart, my lungs, in unison when I bite my tongue.
Escape, at long last, burn the bridge never looking back.You reflect me in my negative space.
Please forgive me for the time you'll waste.
If you let me I'll give you a tasteEveryone eventually lets you down.I don't care
I don't care
About what you think
About what you thinkI won't hear
I won't hear
Anything you say
Anything you sayYou reflect me in my negative space.
Please forgive me for the time you'll waste.
If you let me I'll give you a tasteEveryone eventually lets you down.
