Revolution

Ta-Shma

All peoples all nations
The final times have begun
Claim your stake join this revolution, everyone everyoneAll peoples all nations
The final times have begun
Claim your stake join this revolution, everyone everyoneTora is truth and truth is Tora
Explore the wealth, the God of Israel made it for ya
Warrior in his army, the truth is here for the taking
Exit the darkest part of night, the dawn is now breakingWake up wake up the alarm is ringing
The end is nearly here, the real beginning
Now is the time, the plan is divine
Seek and you'll find let your soul shine
Love of course a matter of course
Soul rejoice, making the choice of hearing God's voice
Revolution has begun, the revolution has begunAll peoples all nations
The final times have begun
Claim your stake join this revolution, everyone everyone
All peoples all nations
The final times have begun
Claim your stake join this revolution, everyone everyoneYou think the Tora's just for Jews, but you got it confused
It's a toolkit a blueprint, for you to use
Point you in the right direction, people's deception of life is a misconception
Blinded by illusion, living in delusion
Wander in confusion, but I have the solution
Realize the obtrusion blocking your eyes the world is a wonderful fusion
Of material divine with the spiritualBut you say...that's just not real for you
So I got some advice of where you can start
7 things for your life that will open your heart
7 [roles] to express [your real love]
7 paths to connect to the One aboveListed in the Tora mentioned by the time of Noah
It's my privilege and obligation to show yaFirst things first, God made universe and earth
Pray to someone else, you worship dirtNumber two proclaim his fame, praise his name, profane refrain
Dont use his name in vainNow at hand is three respect humanity, cold blooded murder is insanityThe fourth value in life, love, only allowed with your wife
Relationship out of marriage is trifeThe fifth lesson owning possessions, other people's rights you got to respect themSixth rule in the manual cruelty to animals
A tool to be used not abused, life is valuableSeven, last but not least, the missions complete
Set a course to pursue justice and peaceThese instructions to Noah in the Tora
For all nations, how to be God's soldiers

All peoples all nations
The final times have begun
Claim your stake join this revolution, everyone everyoneAll peoples all nations
The final times have begun
Claim your stake join this revolution, everyone everyoneAll peoples all nations
The final times have begun
Claim your stake join this revolution, everyone everyoneAll peoples all nations
The final times have begun
Claim your stake join this revolution, everyone everyone
Tora is truth and truth is tora
Explore the wealth, the God of Israel made it for ya
