

When I'm With You

Simple Plan

I'm taking my time
I'm trying to leave the memories of you behind
I'm gonna be fine
As soon as I get your picture right out of my mind I wanna feel the way you make me feel when I'm with you
I wanna be the only hand you need to hold on to
But every time I call you don't have time
I guess I'll never get to call you mine You're nothing at all
I know there's a million reasons why I shouldn't call
With nothing to say
Could easily make this conversation last all day I wanna feel the way you make me feel when I'm with you
I wanna be the only hand you need to hold on to
Every time I call you don't have time
I guess I'll never get to call you mine Another lesson I didn't get to learn
You're my obsession
I've nowhere to turn I wanna feel the way you make me feel when I'm with you
I wanna be the only hand you need to hold on to
I wanna feel the way you make me feel when I'm with you
I wanna be the hand you need to hold on
I wanna feel the way you make me feel when I'm with you
I wanna be the only hand you need to hold on to But I guess I'll never get to call you mine
