

Falls to Climb

R.E.M.

I'll take the position
Assume the missionary part
You work by committee
You had me pegged from the start I'll be pounce pony, phony maroney
Pony before the cart
I'll be pounce pony this ceremony
Only fills my heart Who cast the final stone?
Who threw the crushing blow?
Someone has to take the fall
Why not me? A punch toy volunteer
A weakling on its knee
Is all you want to hear
And all you want to see Romantically, you'd martyr me
And miss this story's point
It is my strength, my destiny
This is the role that I have chosen Who cast the final stone?
Who threw the crushing blow?
Someone has to take the fall
Why not me? Why not me? Gentlemen, mark your opponents fire
Into your own ranks
Pick the weakest as strategic move
Square off to meet your enemy For each and every gathering
A scapegoat falls to climb
As I step forward, silently
Deliberately mine Who cast the final stone?
Who threw the crushing blow?
Someone has to take the fall
Why not me? Why not me? Had consequence chose differently
Had fate its ugly head
My actions make me beautiful
Dignify the flesh
Me, I am free, I am free
