Baby you got what I need
Baby you got what I need (just what I need)
(Repeat)

JUST BLAZEEEEEEE!!!

1st Verse:

Said me and you've been through so much together
And I want you to know that I'm with ya
Cause no one can do for me like you do baby
And I'll never bail out on you baby
So you'll never have to question this lady
So whenever you need me, I'll be there in a hurry cause

Chorus (ad-libs in parenth.):

You got what I need
And I want you close to me (I want you close to me yeah yeah)
No one makes me feel the way you do (Feel the way you do..mmm)
That's why I am with you (Ooooh whoooooa ohhhhhh)

2nd Verse:

Some may say that I'm crazy for loving you
But they don't understand what I'll do
So they can say what they want
But it ain't gonna change how I feel
Cause I'm not gonna ride for nobody else but you baby
Cause if you leave me I'll go crazy

Cause I gotcha (until the end)
I gotcha (no matter what it is)
I gotcha (when it's crunch time baby)
Said I got you baby (whenever you need someone)

Feel the way you do
