

The Loss

Hollywood Undead

[Verse 1: Johnny 3 Tears]

Sick with myself,
But I've got no one else.
So I give it to myself,
It's the only thing that helps.
It's the same thing, this pain thing,
That keeps me from sleeping.
And screaming that,
God, I must be motherfucking dreaming.
And I can rest in peace,
And at least cease to be.
Cease to see those things in me,
That make me wanna cease to breathe.
Ceased to need, ceased to feed,
Sickness that's in me.
This is all that I can be,
I can't breathe as I bleed.[Chorus: Deuce]
I don't know why I cut myself.
God give me a sign or help, I won't cry.
It'll be fine I'll take my last breath.
Push it out my chest till there's nothing left.
I know that my minds near the end.
God I hurt myself and fell, I won't cry.
It'll be fine I'll take my last breath.
Push it out my chest till there's nothing left.[Verse 2: J-Dog]

Have you ever met a living legend,
Just a real friend who planned his end?
And where do I begin?
You said it was pretend.
And when the bullet went through,
It took more than just you.
It took two, it was you,
It was me, and suddenly.
How can someone say they're helpless,
And then they act so selfish?
You put me through hell with this,
So fuck you let's just end this.
And what about our friendship?
What you did was senseless.

You thought you found an exit?
Like I said, let's end this! [Chorus: Deuce]
I don't know why I cut myself.
God give me a sign or help, I won't cry.
It'll be fine I'll take my last breath.
Push it out my chest till there's nothing left.
I know that my minds near the end.
God I hurt myself and fell, I won't cry.
It'll be fine I'll take my last breath.
Push it out my chest till there's nothing left. [Brige: Deuce]
I just wanna say good bye.
Dissappear with no one knowing!
I don't wanna live this lie.
Smiling to the world unknowing!
I don't want you to try.
You've done enough to keep me going!
I'll be fine!
I'll be fine!
I'll be fine for the very last time! [Chorus: Deuce]
I don't know why I cut myself.
God give me a sign or help, I won't cry.
It'll be fine I'll take my last breath.
Push it out my chest till there's nothing left.
I know that my minds near the end.
God I hurt myself and fell, I won't cry.
It'll be fine I'll take my last breath.
Push it out my chest till there's nothing left.
