

# Welcome Home (Shawn "Clown" Crahan Remix)

## Coheed and Cambria

You could've been all I wanted  
But you weren't honest now get in the ground  
You choked off the surest of favors  
But if you really loved me you would've endured my world Well if you're just as I presumed  
A whore in sheep's clothing  
Fucking up all I do and if so here we stop  
Then never again will you see this in your life Hang on to the glory at my right hand  
Here laid to rest is our love ever longed  
With truth on the shores of compassion  
You seem to take promise to all of these songs You stormed off to scar the armada  
Like Jesus played martyr, I'll drill through your hands  
The stone for the curse you have blamed me  
With love and devotion, I'll die as you sleep But if you could just write me out  
To never less wonder happy will I become  
Be true that this is no option  
So with sin I condemn you demon play, demon out Hang on to the glory at my right hand  
Here laid to rest is our love ever longed  
With truth on the shores of compassion  
You seem to take promise to all of these songs One last kiss for you, one more wish to you  
Please make up your mind girl  
I'd do anything for you One last kiss for you, one more wish to you  
Please make up your mind girl  
Before I hope you die
