Discipline

Janet Jackson

I misbehaved, done some things I know I shouldn't do
I touched myself, even though u told me not to
U commanded me to wait for u (I tried)
But I can smell u on my sheets
Taste u on my skin so vividly
Daddy I disobeyed u
Now I want u to come punish meBabe, I need some discipline 2nite
Don't hold back
I've been very bad
Make me cry
Got to make me cryBabe, I need some discipline 2nite
Don't hold back
I've been very bad
Make me cry
Got to make me cry
BabeI misbehaved
And my punishment should fit my crime
Tie me to something
Take off all my clothes
Daddy I want u to take ur time (I'm scared)
My heart is beatin fast
Shiver as u grab my neck
Baby, blindfold me daddy
Is better when I don't know what to expectBabe, I need some discipline 2nite
Don't hold back
I've been very bad
Make me cry
Got to make me cryBabe, I need some discipline 2nite
Don't hold back
I've been very bad
Make me cry
Got to make me cry
BabeDid I upset you daddy
Take out ur frustrations on me
Did I make u mad
Take out ur frustrations on me
U be the teacher, I'll be the student
Tell me to do it, and I will do it
I'm under ur command

U be the teacher, I'll be the student
Tell me to do it, and I will do itBabe, I need some discipline 2nite
Don't hold back
I've been very bad
Make me cry
Got to make me cryBabe, I need some discipline 2nite
Don't hold back
I've been very bad
Make me cry
Got to make me cry
Babe
