That's OK

Death by Bobcat

I don't like haggis
I don't like booze
That's ok its what i choose
I don't have a girl
Cause I'm a bum
Thats ok they cost a tonThat's ok
Well that's ok
We don't need them anyway
That's ok
Well that's ok
We don't need them anyway
Go!I don't do drugs
I don't smoke pipes
That's because I have a life
I milk my cow
I milk my pig
You wanna stop me
That the girls all digThat's ok
Well that's ok
We don't need them anyway
That's ok
Well that's ok
We don't need them anyway
