Just a Little Bit

Auryn

I see you making eyes at me,
My heart go dumb
Even though you're out my league,
I want you!
Girl you're so complicated, I just don't know why-yyy
Can't find the words to say to you
Oooh oh oh oh
To make you see that I need a lookCHORUS:
If you wanna talk to me, talk to me
Just walk on over
A little bit of what I see is what I need
I promise I won't bite
Don't make it complicated, can't you see I'm fi-iiiine
A little bit of what I see is what I need
To give me a little bit of
Ooooh oh oh oh oh
JUST A LITTLE BIT OF
Ooooh oh oh oh oh
GIVE ME A LITTLE BIT OFWhy don't you just woke up to me?
And make your move!
Don't waste this up, don't need
I want you!
No, I'm not complicated, just don't waste my ti-iiiime
Don't wanna have to go and choose, ooh oh oh oh
Someone else who has just a little bit ofCHORUS:
If you wanna talk to me, talk to me
Just walk on over
A little bit of what I see is what I need,
I promise I won't bite
Don't make it complicated, can't you see I'm fi-iiiine
A little bit of what I see is what I need
To give me a little bit of
Ooooh oh oh oh oh
JUST A LITTLE BIT OF
Ooooh oh oh oh oh
GIVE ME A LITTLE BIT OF
GIVE ME A LITTLE BIT OF
