Pippy Pip

The Black Seeds

[Verse 1]
Take a step into the light friend
I thought I?d never see you again
You can hold your head up high
Don?t be afraid of your life
And just pray for soul business
My friend is a toaster, yeah you made it through the worst
I?ll bet it?s still hard for you and isn?t over yet
And faith will hold you in our hearts
Always in our hearts, yeah
Just pray for soul business
Gotta pray for soul business
Soul business, soul business

[Verse 2]
Take a step into the light friend
I thought I?d never see you again
You can hold your head up high
Don?t be afraid of your life
Soul business, soul business
Just pray for soul business
Gotta pray for soul business
Soul business for soul business

[Verse 2]
