

# Out of time man

## Mano Negra

I'm walkin' out for love  
I'm walkin' bad, really down like a cool breeze  
I'm gonna be late again driver wait for me please  
I'm drivin' all in vain tryin' to catch this fuckin' train  
Time don't fool me no more  
I throw my watch to the floor was so lazy  
Time don't do it again, now I'm stressed and strained  
With my anger and pain in the subway train  
Now it's half past two  
Long gone the rendezvous  
Now it's half past three  
Time made a fool out of me  
Now it's half past four  
Baby can't you see  
No use in waiting no more  
It's a timing tragedy I think it's nine  
When clock says ten  
This girl wouldn't wait  
For the out of time, out of time man  
Time don't fool me no more  
I throw my watch to the floor was so lazy  
Time don't do it again, now I'm stressed and strained  
With my anger and pain in the subway train  
Now it's half past two  
Long gone the rendezvous  
Now it's half past three  
Time made a fool out of me  
Now it's half past four  
Baby can't you see  
No use in waiting no more  
It's a timing tragedy I think it's nine  
When clock says ten  
This girl wouldn't wait  
For the out of time, out of time man  
Now it's half past two  
Long gone the rendezvous  
Now it's half past three  
Time made a fool out of me  
Now it's half past four  
Baby can't you see  
No use in waiting no more  
It's a timing tragedy  
Now it's half past two  
Long gone the rendezvous  
Now it's half past three  
Time made a fool out of me  
Now it's half past four  
Baby can't you see  
No use in waiting no more

It's a timing tragedy Now it's half past two  
Long gone the rendezvous  
Now it's half past three  
Time made a fool out of me Now it's half past four  
Baby can't you see  
No use in waiting no more  
It's a timing tragedy Now it's half past two  
Long gone the rendezvous  
Now it's half past three  
Time made a fool out of me Now it's half past four  
Baby can't you see  
No use in waiting no more  
It's a timing tragedy Now it's half past two  
Long gone the rendezvous  
Now it's half past three  
Time made a fool out of me Now it's half past four  
Baby can't you see  
No use in waiting no more  
It's a timing tragedy Now it's half past two  
Now it's half past three Now it's half past four  
No use in waiting no more  
It's a timing tragedy Now it's half past two  
Now it's half past three
