

She's So High

Blur

I see her face everyday
I see her face, it doesn't help me
I see her face everyday
I see her face, it doesn't help me She's so high, she's so high, she's so high
I want to crawl all over her
She's so high, she's so high, she's so high
I want to crawl all over her I think of her everyday
I think of her, it doesn't help me
I think of her everyday
I think of her, it doesn't help me She's so high, she's so high, she's so high
I want to crawl all over her
She's so high, she's so high, she's so high
I want to crawl all over her She doesn't help me
She doesn't help me
She doesn't help me She's so high, she's so high, she's so high
I want to crawl all over her
She's so high, she's so high, she's so high
I want to crawl all over her
