

Satellite

The Wanted

Baby come over here, I just gonna tell you something, something
There's nothing left to fear
There's nothing that can hurt you, nothing
We can take on the bodies of angels, away from everyone
Touch, as we circle the world, you and me, on the run So put your hands up to the sky, yeah, put 'em up
Follow me, you wanna fly
I'll show you love
Put your hands up to the sky, inside of mine
When we touch, we get so high Like a satellite
I don't wanna come down, I just want your love now
Like a satellite
I don't wanna come down, I just want your love now
Baby hold on tight Look at stars above
We're the only thing that's brighter, brighter
Tonight you can feel the love
The way I feel around you, lighter We can take on the bodies of angels, away from everyone
Touch, as we circle the world, you and me, on the run So put your hands up to the sky, yeah, put 'em up
Follow me, you wanna fly
I'll show you love
Put your hands up to the sky, inside of mine
When we touch, we get so high Like a satellite
I don't wanna come down, I just want your love now
Like a satellite
I don't wanna come down, I just want your love now
Baby hold on tight
(The way I feel around you) lighter
(The way I feel around you) Baby hold on tight
Baby hold on tight (Like a satellite) Like a satellite
I don't wanna come down, I just want your love now
Like a satellite
I don't wanna come down, I just want your love now Baby hold on tight
(I don't wanna come down, I just want your love now) Like a satellite
(I don't wanna come down, I just want your love now) Baby hold on tight
