

# Whatever

## 4Minute

We're ready, my turn I'll make you burn  
Emergency move your body you got my attention Your party is over, what more are you expecting  
Your turn is next get out of my mansion Your boys and ladies you were calling  
Everyone's here, come back to me now  
Hey what you thinking about it yea I'll show you more clearly  
You were waiting for me tonight  
More thrilling, hotter, you're going to touch me Tell me hey you want it boy  
I'll give it to you, want me  
I can be whatever  
Look at me whatever  
We can do whatever oh oh Tell me hey you want it boy  
I'll give you everything, want it  
I can be whatever  
Look at me whatever  
We can do whatever A baby guess whose back  
Four minute back in the game  
Put your hands up in the air oh oh oh oh  
I'll fill you up, I'll engrave myself deeply into your heart  
Do it do it four minute time Scream so I can see  
Go more crazy so only you can reach me  
Hot issue, I'm a classic  
Let me show, I'll shatter common sense  
Hey what you thinking about it yea I'll show you more clearly  
You were waiting for me tonight  
More thrilling, hotter, you're going to touch me Tell me hey you want it boy  
I'll give it to you, want me  
I can be whatever  
Look at me whatever  
We can do whatever oh oh Tell me hey you want it boy  
I'll give you everything, want it  
I can be whatever  
Look at me whatever  
We can do whatever A baby guess whose back oh oh oh oh  
Four minute Back in the game oh oh oh oh  
Put your hands up in the air oh oh oh oh  
Do it do it four minute time Tell me hey you want it boy  
I'll give it to you, want me  
I can be whatever  
Look at me whatever

We can do whatever oh oh Tell me hey you want it boy  
IÃ¢â€™ll give you everything, want it  
I can be whatever  
Look at me whatever  
We can do whatever  
Whatever whatever whatever  
Whatever whatever whatever
