[Chris Spheris](#)

Suddenly, you were gone
From all the lives you left your mark upon I remember, how we talked
And drank into the misty dawn
I hear the voices, we ran by the water
On the wet summer lawn I see the footprints, I remember
I feel the way you would
I feel the way you would
I feel, I feel the way you would Tried to believe but you know it's no good
This is something that just can't be understood I remember, the shouts of joy skiin'
Fast through the woods
I hear the echoes, I learned your love for life
I feel the way that you would I feel your presence, I remember
I feel the way you would
I feel the way you would
I feel, I feel the way you would
This just can't be understood I tried to believe but you know it's no good
This is something that just can't be understood I remember
I feel the way you would
I feel the way you would
I feel, I feel the way you would
This just can't be understood
