

Light In the Shadows

Coal Chamber

Light in the shadows isnt what they make it out to be
You air your regret from your past and future destiny
This world is killing you
Its obviously killing me
Power corrupts abso-fucking-lutely
At the end of ropes with back against the bloody wall
This attitude won't pass
Those chips, they will surely fall
Cant dig our way through this human flesh
Peel back your eyes, expose whats truly best
CAUSE YOU DONT UNDERSTAND
THE GRAVITY OF THE SITUATION
YOU DONT UNDERSTAND
THE GRAVITY
THE GRAVITY
Dont you cry because it all seems that its over now
Those who mind dont matter
So it all seems better now
Is it just a game, or are we playing safe?
Its hard to say, my perception isnt what it seems!
Im selfish
Impatient
Insecure
Often mistaken
Out of control
Dismayed
Im unsafe
Lets generate!
Light in the shadows isnt what they make it out to be
You air your regret from your past and future destiny
This world is killing you
Its obvious its killing me
Power corrupts abso-fucking-lutely!
Sometimes, sometimes its better to just give up
Sometimes its better to lose, to lose
Sometimes, its better to just give up, just give up...
Sometimes its better to just give up! Just give up!
