Heavy

Glenn Hughes

I know what you oughta know
You know that you gotta grow
You say that you do believe
Inside you will receiveYou find in the air
You grind it everywhere
You sit, but you wanna stand
Get back to the MotherlandIt's your time you take it night and day
It's a crime you just can't walk away
In your eyes I see you wanna stay
We should all be freeIt's so heavy, it's so heavy
Got my foot down in my Chevy
It's so heavy, it's so heavyGrip tight now you're hangin' on
Midnight 'til your fear has gone
Hijack you are almost there
Your life ain't a rag & boneDon't slip on a steppin' stone
You know that you're not alone
