Can't Heal You

[Five Finger Death Punch](#)

The deeper you get, the farther you fall down
The closer I get, the more you dissolveYou're lost inside your pale addictions
Bury you with the demons in the ashCan't heal you, don't want to
Cause you can't save your fuckin self
Can't heal you, don't need to
Cause you won't save yourselfYou are the one who made the decision
Stuck in a prison, shattered and broken
I am the one who expected to heal you
Save you from drowning in your endless nightmareBlessed be the disillusioned
The banished misfits and the cursed hollow sonCan't heal you, I don't want to
Cause you can't save yourself
Can't help you, don't need to
Cause you won't save yourselfWe're taught to perish but fade away
Become the haunted and then die as slavesCan't heal you, I don't want to
Cause you can't save yourself
Can't help you, don't need to
Cause you won't save yourselfCan't heal you, don't want to
Cause you can't save your fuckin self
Can't heal you, don't need to
Cause you won't save yourself
