

# Daddy's Home (feat. Hailey Kiteley) [Live]

Travis Greene

God reminded me of the children of Israel  
And how they wanted a king because everyone else had a king  
But what they didn't recognize is that they had the King of kings  
And God stopped me in my tracks one day while I was praying  
And said: Travis quit searching for what you already have, you have the Father of fathers  
And I don't know who you are tonight but you've been searching for your identity  
And God says that you'll find it all in him  
He says: Listen homie, I never missed a ball game  
He says: Daughter, I was there at your graduation  
I feel a wind, a wind of restoration just blowing through and God is giving you back your identity  
What you've been searching for, what someone stole from you  
God said: No, no, no, you belong to me daughter, you belong to me man of God  
Come on, come on you  
I am your identity, you can have my last name  
Everything you've been wanting, you can find in me  
I am your father  
Lift you hands in this moment  
You've been searching for your identity  
Someone to give you hope and something you could believe  
Search no longer, He's waiting for you  
The search is over, all you have to do is let me 'Cause Daddy's home, oh oh oh, oh  
Daddy's home, oh oh oh, oh  
Daddy's home, oh oh oh, oh  
Daddy's home, oh oh oh, oh You've been searching for your identity, oh oh oh oh  
Someone to give you hope and something you could believe, hm  
Search no longer, He's waiting for you  
The search is over, all you have to do is let me  
Search no longer  
Search no longer, He's waiting for you  
The search is over, all you have to do is let me  
'Cause Daddy's home, yeah (oh oh oh) wooh  
All that you need  
(Oh, Daddy's home, oh oh oh)  
All I need Daddy, yeah yeah  
(Oh, Daddy's home, oh oh oh)  
All that you need, yeah yeah  
(Oh, Daddy's home, oh oh oh)  
We've got a promise, sing it, heal it You're not forsaken  
You belong to me

You belong to me  
And I'm here for you  
You're not forsaken  
You belong to me (oh yeah)  
You belong to me  
And I'm here for you  
(Sing it loud, you're not)  
You're not forsaken  
You belong to me

And I'm here for you  
(Your father is telling you now)  
You're not forsaken
