Lying Awake

Jon Troast

Lying Awake

Iâ€™m not one to make this kind of call
Step out on the edge and risk a fall
But I couldnâ€™t let it go again
Iâ€™m doinâ€™ what I can

So, please donâ€™t turn me down sweetly
Tellinâ€™ me maybe
Now Iâ€™m lying awake
Wonderinâ€™ if youâ€™ll never need me
Then tellinâ€™ me â€œnoâ€• would be easier to take

You could say a hundred things or more
That might make me crumble to the floor
But at least I know just where I stand
So all that Iâ€™m askinâ€™

Is please donâ€™t turn me down sweetly
Tellinâ€™ me maybe
Now Iâ€™m lying awake
Wonderinâ€™ if youâ€™ll never need me
Then tellinâ€™ me â€œnoâ€• would be easier to take

Tonight I dreamed we were standinâ€™
Out on a runway watchinâ€™ the planes
Hopinâ€™ you were a pilot
We could go flyinâ€™
But now Iâ€™m lying awake

If I could Iâ€™d get this plane right off the ground
If I could Iâ€™d get this plane right off the ground
If I could Iâ€™d run so fast with open arms
I wonâ€™t look down

Please donâ€™t turn me down sweetly
Tellinâ€™ me maybe
Now Iâ€™m lying awake
Wonderinâ€™ if youâ€™ll never need me
Then tellinâ€™ me â€œnoâ€• would be easier to take

Yeah, tellinâ€™ me â€œnoâ€• would be easier to take
