Shameless (Still Going Remix)

Bryan Ferry

I can read your lips
I can read your mind
All I wanted is you
Why am I so blindAnd the way we were
Fatefully entwined
In a shameless world
Rock n' roll desireRock n' roll desire
Rock n' roll desireAll the things you are
In a single word
Famously inspired
Privately absurdAnd the way we were
Fatefully entwined
In a shameless world
Rock n' roll desireRock n' roll desire
Rock n' roll desire
Rock n' roll desire
Rock n' roll desireAnd the days go by
Morning, noon and night
Permanently wired
To a simple lifeAnd the way we were
Fatefully entwined
In a shameless world
Rock n' roll desireRock n' roll desire
Rock n' roll desire
Rock n' roll desire
Rock n' roll desire
