Ooh, bye bye  
Ooh, bye byeGoodbye baby, bye bye  
Goodbye baby, bye bye  
Goodbye baby, bye bye  
I'm gonna leave you nowGoodbye baby, bye bye  
Goodbye baby, bye bye  
Goodbye baby, bye bye  
Johnny's going awayYou were wrong, pretty baby, bye bye  
Oh, so wrong, pretty baby, bye bye  
Yes, so wrong, pretty baby, bye bye  
Please don't you cryOh, goodbye baby, baby, bye bye  
Goodbye baby, baby, bye bye  
Goodbye baby, baby, bye bye  
I'm gonna leave you nowBaby, bye bye, baby, bye bye  
Baby, bye bye, baby, bye bye  
Baby, bye bye, baby, bye bye  
Baby, bye bye, baby, bye byeOh, goodbye baby, bye bye  
Goodbye baby, bye bye  
Goodbye baby, bye bye  
Johnny's going awayTake my hand, pretty baby, bye bye  
One more time, pretty baby, bye bye  
Take my hand, pretty baby, bye bye  
Hope you'll understandOh, oh
