The Outsider

A Perfect Circle

Help me if you can

It's just that this is not the way I'm wired, so could you please

Help me understand why

You've given in to all these reckless dark desires? You're lying to yourself again, suicidal imbecile

Think about it, you put it on a faultline

What'll it take to get it through to you, precious?

I'm over this, why you wanna throw it away like this

Such a mess, I don't wanna watch youDisconnect and self destruct, one bullet at a time

What's your rush now, everyone will have his day to dieMedicated, drama queen

Picture perfect numb belligerence

Narcissistic, drama queen

Craving fame and all its decadenceLying through your teeth again, suicidal imbecile

Think about it, put it on a fault line

Timik doodt it, put it on a radit inie

What'll it take to get it through to you precious?

I'm over this, why you wanna throw it away like this?

Such a mess, I don't wanna watch youDisconnect and self destruct one bullet at a time

What's your rush now, everyone will have his day to dieThey were right about you

They were right about youLying to my face again, suicidal imbecile

Think about it, you put on a fault line

What'll it take to get through to you precious?

I'm over this, why you wanna throw it away like this?

Such a mess, come to this, come to this Disconnect and self destruct one bullet at a time

What's your hurry, everyone will have his day to die

If you choose to pull the trigger

Should your drama prove sincere

Do it somewhere far away from here
