

# Love Me Like There's No Tomorrow

[Trace Adkins](#)

Hold me like there's no next time  
Like it's the last time you'll have the chance to  
Show me how much you want me  
Like I'm the only thing that matters No one knows when the world's gonna end  
So let's make love like we never will again 'Cause if the sun never rises, I wanna go down in flames  
I want the last thing I hear to be you whisperin' my name  
If every moment together is time that we borrowed  
Then hold me tight and love me like there's no tomorrow I hope we live forever  
And that day will never come  
But darlin', I know if it ever happens  
I couldn't imagine not being in your arms There's so much we take for granted in life  
So love me baby, like we're running out of time 'Cause if the sun never rises, I wanna go down in flames  
I want the last thing I hear to be you whisperin' my name  
If every moment together is time that we borrowed  
Then hold me tight and love me like there's no tomorrow 'Cause if the sun never rises, I wanna go down in  
flames  
I want the last thing I hear to be you whisperin' my name  
If every moment together is time that we borrowed  
Then hold me tight and love me like there's no tomorrow  
Hold me tight and love me like there's no tomorrow
