Too Hot to Handle

Girlschool

I'm not like any other girl
Who'll do whatever they're told
I've got a one track mind
Don't waste my time
I'm far too hot to hold
I won't change my ways
You better know your place
I'll do whatever I please
I'm hot property, take it from me
I'm too hot to handle
Too hot for you
Champagne on ice might be very nice
Diamonds I just adore
But you better think twice
Take my advice
Don't touch what you can't afford
Feel the heat burning you up inside
From your head down to your toes
Acting so cool
I'll walk all over youI'm too hot to handle
Too hot for you
