

Adhd

Truslow

[Hook/Intro]

Ye-a-ah, ye-a-a-ah

Ye-a-ah, ye-a-a-ah

Ye-a-ah, ye-a-a-ah

Ye-a-ah, ye-a-a-ah[Verse 1]

I played this game for you

I tried to win it, too

But all day long this song kept singing through

And I heard you say

"Here's the line,"

I just can't keep these feet of mine

From running just to see

What they can find[Prechorus]

Don't tell me I've got to be

Just like you

I can see it in your eyes

You want to sing with me tonight.[Chorus]

I'm a little bit

A little bit off the wall (ye-a-ah ye-a-a-ah)

Call it what you need,

Adhd for me (ye-a-ah ye-a-a-ah)

If you're feeling what I'm feeling

Maybe it's time to say

You're a little bit,

You're a little bit just like me.[Hook]

Ye-a-ah, ye-a-a-ah

Ye-a-ah, ye-a-a-ah

Ye-a-ah, ye-a-a-ah

Ye-a-ah, ye-a-a-ah[Verse 2]

You tell me I need peace of mind,

So take these pills and stabilize.

So let it die and say goodbye to me

You won't say

You wanna be

Just like me

'cause maybe you won't turn back

You won't turn back for again.[Prechorus]

Don't tell me I've got to be

Just like you

I can see it in your eyes
You want to sing with me tonight.[Chorus]
I'm a little bit
A little bit off the wall (ye-a-ah ye-a-a-ah)
Call it what you need,
Adhd for me (ye-a-ah ye-a-a-ah)
If you're feeling what I'm feeling
Maybe it's time to say
You're a little bit,
You're a little bit just like me.[Bridge]
Let's take a little time to just daydream
Slip from under the mainstream
View of paradise
Close your eyes
Let your mind take flight
Maybe you'll learn to fly
Singing with me[Prechorus]
Don't tell me I've got to be
Just like you
Don't tell me I've got to be
Just like you
Oh don't tell me I've got to be
Just like you
I can see it in your eyes
You want to sing with me tonight.[Chorus]
I'm a little bit
A little bit off the wall (ye-a-ah ye-a-a-ah)
Call it what you need,
Adhd for me (ye-a-ah ye-a-a-ah)
If you're feeling what I'm feeling
Maybe it's time to say
You're a little bit,
You're a little bit just like me.[Hook]
Ye-a-ah, ye-a-a-ah
Ye-a-ah, ye-a-a-ah
Ye-a-ah, ye-a-a-ah
Ye-a-ah, ye-a-a-ah
