

Bed Bath & Beyond (feat. Chris Brown)

J. Valentine

(feat. Chris Brown) Oh, this is for my baby doll, this is for my baby doll!

Turn it up and down

Baby, bring your body on down, down, down

Turn it up and down, down, down

Baby, bring your body on down, down, down

I'm looking at you like you's a star

Cause you're shining in the dark

Go on and tell me every day with her

I go there and...

Giving you what you deserve! I'll do anything that I say I would

Making your body feel, like you never could

If you follow me, girl I swear I won't lead you on,

When we get home!

""

I'm gonna let you down, turn you around

Wanna make love all over this house

Baby from the bed to the bath and beyond

However you like it!

I'mma hit the spot till you can't tickle, more

Going in, like I never ever did before

From the bed to the bath and beyond!

However you like it, girl! I bet you never had a man like me,

That's gonna make your body feel this way

I'll pull you closer even when you say no

So baby, let me take control now! I'll do anything that I say I would

Making your body feel, like you never could

If you follow me, girl I swear I won't lead you on,

When we get home!

"" I know you .on the bed

We can stay here on the floor

We don't need no luxury

Just put your naked body on!

You know I like it when your hair gets wet

Girl, I'm gonna turn this shower on

So let's reinvent love making

I'll drive you crazy!""
