

# Junk for Fashion

## Verbena

I like the guy with the sharp tongues  
Hey, hey, yeah, hey  
Kissing your friends is the most fun  
Hey, hey, yeah, hey Ask, "Do you wanna?  
Do you wanna?"  
Ask, "Do you wanna?" "Cause the rock loves dysfunction  
And happy has left me  
And, hey, there is a statement  
I like it for fashion 'Cause the rock loves dysfunction  
And happy has left me  
And, hey, there is a statement  
I like it for fashion, I like it for fashion Placing the class with your memories  
Hey, hey, yeah, hey  
I like the grass with the tall trees  
Hey, hey, yeah, hey Ask, "Do you wanna?  
Do you wanna?"  
Ask, "Do you wanna?" "Cause the rock loves dysfunction  
And happy has left me  
And, hey, there is a statement  
I like it for fashion 'Cause the rock loves dysfunction  
And happy has left me  
And, hey, there is a statement  
I like it for fashion I like it for fashion  
I like it for fashion  
I like it for fashion
