Ballcrusher

W.A.S.P.

Such a wicked vicious woman,
black magic voodoo queen
Les-bo nymphomaniac,
ooh, she's got a girlfriend that is seventeen
Bye bye bye Ballcrusher
Bye bye bye
Bye bye bye Ballcrusher
Bye bye bye
Stole the rent and drank all my J.D,
she went and hi-jacked my brand new car
I say A.C, she says D.C,
the damned bitch is just too bizarre
Bye bye bye Ballcrusher
Bye bye bye
Bye bye bye Ballcrusher
Bye bye bye
I call her liar
Her eyes burn the flame
Liar, the princess of pain
Bye bye bye Ballcrusher
Bye bye bye Ballcrusher
Such a wicked vicious woman,
the hellraiser finally pushed her luck
Before I finally leave her in her dust,
I'm gonna .....her till she can't stand up
Bye bye bye Ballcrusher
Bye bye bye
Bye bye bye Ballcrusher
Bye bye bye
I call her liar
Her eyes burn the flame
Liar, the daughter of DeSade
Bye bye bye Ballcrusher
Bye bye bye
Bye bye bye Ballcrusher
Bye bye bye
