Imagine Dragons

[Verse 1]

When every one of them is giving up or giving in, tell me
Nothing ever comes without a consequence or cost, tell me

Will the stars align? [Pre-Chorus]

That's the price you pay

Leave behind your heartache, cast away Just another product of today

And you're standing on the edge, face up 'cause you're a...

[Chorus]

Natural

A beating heart of stone

You gotta be so cold

To make it in this world

Yeah, you're a natural

Living your life cutthroat

You gotta be so cold

Yeah, you're a natural Natural Lyrics

Will somebody

Let me see the light within the dark trees' shadows and

What's happenin'? Lookin' through the glass find the wrong within the past knowin'

Oh, we are the youth

Call out to the beast, not a word without the peace, facing

A bit of the truth, the truth
