

# Personal God

## Solitude Aeturnus

A mental aberration  
Thrust in to such  
A perfect world  
I am wrong  
You are right  
What can I do - to please  
I could never see with your eyes  
This is the season  
Of a falling moon  
Torn from above  
I could never see with your eyes  
I could never think with your mind  
Visions destroyed  
I bow before  
MY PERSONAL GOD
