I walk my halls at night with my head down on the floor, could you love me?
could you love me ohhh!
you say that were just friends but girl I need much more
could you love me?
could you lovvvveeeeeee
but I cant sleep at night
I need you too hold me tighghghghghgghghghg
but I cant sleep at nightttttt
I need you to hold me tighttttttttt
ohhhh yeahhhhhh.
I dream about you almost every single night
could you love me?
could you love me yeahhhhhh?
I really need you girl do you think you might?
could you love me?
could you loveeeeeeee?
but I cant sleep at night!
I need you to hold me tighghghghghghg!
but I cant sleep at nightttttt!
I need you to hold me tighghghghghghg!
