

Red Chair, Fade Away (Mono Version)

Bee Gees

Red chair fade away
Bring back memories Think of something nice
Fragrant lemon trees
I can feel the speaking sky
I don't want to know
It's filling up the air
Grandpa's fairy tale
Red chair round the fire
Rainbows all the time
We're all going higher
I can feel the speaking sky
I don't want to know
It's filling up the air Red chair fade away [Repeat: x5]
Bring back memories Think of something nice
Fragrant lemon trees
I can feel the speaking sky
I don't want to know
It's filling up the air
Red chair fade away
Red chair fade away
