Blood on Our Hands

Death From Above 1979

I am leaving, while you turn away
In the basement is where I'm going to stay
There is blood in all the things, I say
Will you hate me, if I stay this way?
From the bedroom, where we're running from
There's a sequel to the things I've done
You're a women, we both know it's true
By the things that, I have done to youThere is blood on all the shoes you've worn
From the people, you've been stepping on
There is blood in all the things you say
I won't hate you, if you go awayThere is blood on our hands again
From the bedroom is where we will
Bring it back to the start again
Bring it back to the love we had
There is blood on our hands again
From the bedroom is where we will
Bring it back to the love we had
Bring it back toI am leaving, while you turn away
In the basement is where I'm going to stay
From the bedroom, where I'm running from
There's a sequel to the things I've doneThere is blood on our hands again
From the bedroom is where we will
Bring it back to the start again
Bring it back to the love we had
There is blood on our hands again
From the bedroom is where we will
Bring it back to the start again
Bring it back to
