Habanera

Georges Bizet

Da-da da dow
Da-da da dow
Da-da da da da dow
Da-da da dow
Da-da da dow da-da dow

I'd like to get more sleep
But my mind just keeps me up
I'd like to be able to write
But I can't seem to find the words

Da-da da dow
Da-da da dow
Da-da da da da dow
Da-da da dow
Da-da da dow da-da dow

Da-da da dow (you)
Da-da da dow (could)
Da-da da da da dow (break my heart)
Da-da da dow (that was)
Da-da da dow da-da dow (apparent from the start)

I tried to talk to you
But you were looking through into the next room
There must have been something more interesting
There must have been something more interesting

Da-da da dow
Da-da da dow
Da-da da da da dow
Da-da da dow
Da-da da dow da-da dow

Da-da da dow
Da-da da dow
Da-da da da da dow
Da-da da dow
Da-da da dow da-da dow

Da-da da dow (you)
Da-da da dow (could)
Da-da da da da dow (break my heart)
Da-da da dow (that was)
Da-da da dow da-da dow (apparent from the start)

Da-da da dow (you)
Da-da da dow (could)
Da-da da da da dow (break my heart)
Da-da da dow (that was)
Da-da da dow da-da dow (apparent from the start)
