

Let It Go (feat. Mavado)

G-Unit

[Chorus]

I'm a gangsta, I'm a gangsta for life, I'm a gangsta real gangsta,
I'm a gangsta, I'm a gangsta for life I'm a gangsta, real gangstaThe game took a turn crazy its all gravy
Thanks to 50 cent and shady they goin' play me
These lil' niggas can't phase me
They just babiesPlay me I'm armed crazy tom brady
Emeralds and begets when I'm hoppin up off the jet
A nigga reach for dat then, I'm choppin him in his neck
One big remix and she'll be on my penis
'Cause my flow hot as phoenix and my cars are cleanest9 millimeters and we ball in arenas
If you hood then you seen us who would in the beamers
I'm that new name
They older than Adidas
When they see us they talk talk shit
They wanna be usWhen we're pressin' us
Why the arrestin' us
They want up in [unknown]
You're stressin' us
The moon eclipse, is a mess you know
Lil' punks can't do nothing you know[Chorus]Don't fuck around and start a fightI'm [unknown] Hip hop goin
hard
FEDS ran in the crib swat all in my yard
Im the high school drop out crack game genius
The mack will turn ya back into gilbert arenasI'm 'criminal minded', you've been blinded
FEDS lookin for my bricks but can't find it
Banuga wit the rouga my grip is rubber
My frank muula is 5th and them rainbow colorsBeing broke is a disease I need that groupe and that cheddar
I learned that in a maybach wit fif and Mayweather
Mix the milk with Armaretta my
Armaretta's in my leather
My tiger striped eagle, make you people need [unknown]When we're pressin' us
Why the arrestin' us
They want up in [unknown]
You're stressin' us
The moon eclipse, is a mess you know
Lil' punks can't do nothing you know [Repeat: x 2]I'm a gangsta, I'm a gangsta for life, don't start a fight
