

The Lonely Spider

[Lhasa de Sela](#)

Lonely spider waiting in her web
Hoping she can catch some happiness
Then who should stumble into here but youGot you where I want you
Got you where I want youLovely lady spider likes you best
Begg you to come live in her own nest
Feeds you clothes you gives her heart to youGot you where I want you
Got you where I want youDon't know why you put up such a fight
Make the lady spider cry all night
You never have to be alone againGot you where I want you
Got you where I want you
Lonely spider waiting in her web
Hoping she can catch some happiness
Oh, when will happiness come by again?
