

What the Stars Have Eaten

deadboy & the Elephantmen

All we have lost, the stars have eaten
All that dies begins againTears you've shed, the earth has gained
Buried beneath the sky
So strange, it cannot be explainedIn this light, I see your spirit
Listen, maybe we can hear it
All we have lost the stars have eaten
All that dies begins againInnocent magic
Is stronger than evil
Innocent magic [x2]Innocent magic
Is stronger than evil
Innocent magic [x2]All we have lost, the stars have eaten
All that dies begins againTears have shed, the earth is regained
Buried beneath the sky
So strange, it cannot be explainedIn this light, I see your spirit
Listen, maybe we can hear it
All we have lost the stars have eaten
All that dies begins againInnocent magic
Is stronger than evil
Innocent magic [x2]Innocent magic
Is stronger than evil
Innocent magic [x2]Innocent magic
Is stronger than evil
Innocent magic [x2]Innocent magic
Is stronger than evil
Innocent magic [x2]
