

Celebrity (ft. Akon & Eminem)

Lloyd Banks

I just touched down, Ferrari to concrete
I ain't even home and they're talking about me
Fuck out my ear if you talking 'bout freedom nigger
Free don't pay the bills I'm ballin' all out, b!
You rappers don't know me
Nah I ain't your homie
If your name ain't Em, Ferrari or Tony
I like my wheel chromey
My Bentley my Rolly
My Magnum my forty
South Jamaica shawty

These losses I took in the gut yo
The work's still here, I'm just cooking it up slow
Clear my mind, you whippin' the truck load
My Pop dead, but he live through his son though
If rap ain't work, I'll be pimpin' on some hoe
Still eating lobster and shrimp in the Bungalow
I'm back like crack over the drum roll
You know, wherever I go the gun go [Chorus]
We on the grind (hey) all the time (hey)
Ain't bout to let a nigga come and snatch mine

I keep a nine, you see the shine
I might just let your ass slide this time

While I get this paper, paper

While I get this paper, paper

Cause I'm a celebrity

(I don't need none of y'all)

Ghetto celebrity

(Keep your punk-ass awards)

I'm a celebrity

(Take your fake smile off)

Ghetto celebrity

Ain't nothing changed nigger The media will test ya, popularity is pressure

Porche Panamera

Platinum hammer through the metal

Wreck the booth up, I'm too tough

That inner city grammar

Step your jewels up, they bruised up

I'll sparkle for the camera

Harsh reality's what (?) holding them back from opening
Verbal attack all over these niggas, push the herd to the back
I'm the kind that they pray on, spending half of their day on
Lay on, niggas for days, just shots spray on
My sound system knock and in pound Tupac
6-4 jumping like the ground too hot
They spot me, they chase a nigga down two blocks
Two shots in the air for niggas that ain't here
Two tone, two door, grey top, roof floor
Green guap galore, in and out of new hall
That bright light you saw, was a paparazzi flash
I'm tryna snap a picture through your Maserati glass[Chorus]
