That Thing You Do

Marcos Hernandez

that thing you do is driveing me crazy.
girl the way you move on the dance floor is so right.
that thing your doing is so sexy.
that special thing you do makes me want you more and more each second.
just keep on moveing and dont stop until the parties over.

then we can go to my place and you can do that thing you do for me.
you make me want you all the time because of that thing you do.yeahh
