Sing a New Song

Stella Feyi

Sing a new song to the Lord
The Lord is Excellent,He is Wonderful
Sing a new song to the Lord

Sing a new song to the Lord
I will sing a new song to my Lord
Because He is my Shield and Refuge ,i will sing a new song to the Lord

Will you sing to your God,i will sing to my God
Because He is the Pillar that i lean on
The Rock of my Salvation

I will worship Him and praise His Holy Name
Forever,He is my King
I will declare His goodness to all
Forever He is my King

For His faithfulness never ends
His Mercies last forever
I will worship Him and praise His Name
Forever He is my King

Celebrate what the Lord has done
It is finished,it is finished He said
He conquered the world on the cross
It is finished,it is finished He said

For He took all my sins away and gave me a brand new life
Celebrate what the Lord has done
It is finished,it is finished He said
