

I Can't Put My Finger On It

Ween

Is it alive? Does it writhe?
Can it survive under the sun? I can't put my finger on it
Is it green? Is it red?
Is it alive or is it dead? I can't put my finger on it
Scathe with a lathe
All the days in the past I can't put my finger on it
Is it brown? Is it white?
Is it really out of sight? I can't put my finger on it
Can it squeal, does it squirm?
If it's fresh, will it burn? I can't put my finger on it
Can it fly? Will it try
If the wings are still wet? I can't put my finger on it
Can it heal? Is it real?
Can it feel the threads of time? I can't put my finger on it
Does it glow, will it shine?
Does it leave a trail of slime? I can't put my finger on it
I said, "Are you surprised when I touch the dwarf
inside?"
I said, "Are you surprised when I touch the dwarf inside?"
Are you surprised when I touch the dwarf inside?
Is it alive, does it writhe?
Can it survive under the sun? I can't put my finger on it
Is it green? Is it red?
Is it alive or is it dead? I can't put my finger on it
Scathe with a lathe
All the days in the past I can't put my finger on it
Is it brown? Is it white?
Is it really out of sight? I can't put my finger on it
