## I Don't Blame You

## **Phantogram**

And when you talk, I'm barely listening I'm on the wrong side of town And I'm wrapped up in gauze I should've known, that I can turn around It's taking everything, It's taking everything[Hook] Cause I don't blame you No I don't blame you I don't blame you No I don't blame you[Verse 2] It's just a day I'm feeling so collect A happy day Should never have to hurt so bad[Hook x2][Verse 3] It's just a day I should've slept it off I should've stayed in bed I should've took your call
