

One More Time

Joe Jackson, Gary Burke & Graham Maby

Tell me one more time, as I hold your hand, that you don't love me
Tell me one more time as teardrops start to fall
Shout it to me and I'll shout it to the skies above me
That there was nothing after all Baby, baby, tell me that you never wanted my loving
Baby, baby, tell me that you never, tell me, tell me
One more time, one more time, say you're leaving, say goodbye
One more time, one more time, say you're leaving, say goodbye Tell me one more time we never had a thing in
common
Tell me one more time as you turn and face the wall
Tell me I should know you never were my kind of woman
And tell me we were fools to fall
Baby, baby, tell me that you never wanted my loving
Baby, baby, tell me that you never, tell me, tell me
One more time, one more time, say you're leaving, say goodbye
One more time, one more time, say you're leaving, say goodbye Tell me one more time your tears are only sad
confusion
And tell me it's just been so long and that is all
Tell me one more time that love was only my illusion
You never answered to my call
Baby, baby, tell me that you never wanted my loving
Baby, baby, tell me that you never, tell me, tell me
One more time, one more time, say you're leaving, say goodbye
One more time, one more time, say you're leaving, say goodbye
One more time, one more time, say you're leaving, say goodbye
One more time
