Less Than Together

Mike Krol

Ever since you went away
My heart feels less than together
And no I never got to say
I'll miss you forever and everWe never quite got along
You never learned right from wrong
But you were happy anywayYou were better off with my dad
A veteran that he never had
And now I'm worried thinking about him
Ever since you went away
My heart feels less than together
And no I never got to say
I'll miss you forever and everAfter school we would walk
You stared at me when I talked
But I could tell you were listeningSo if you're out there
I hope you hear me now
Yes, this is my goodbyeEver since you went away
My heart feels less than together
And no I never got to say
I'll miss you forever and ever
Ever since you went away
My heart feels less than together
And no I never got to say
I'll miss you forever and ever
