Keep Rockin'

Le Peuple de l'Herbe

Last night, got no sleep at all
Kept on thinkin' 'bout your letter, yeah, yeah
Don't you know it was so good, just to know that our song
Made you feel a little better, yes it did
Had you singing along, that's why this song is just for you
For all the times you stood and cheered when we passed thru
And you were yellin'
Keep rockin' 'til the early mornin'
Keep rollin' 'til the break of day
Keep playin' like there's no tomorrow
Keep sayin' what you got to say
Keep bringin' it all back home, boys
Keep singin', don't you ever stop
Keep rollin' 'til we say, it's over
Keep rockin' 'til you drop
Sometimes I get down and blue
Oh, the road goes on forever, you know it does
Got me crazy again, somehow nothin's goin' right
And I wonder will it ever get any better
When I'm startin' to feel as though our song was never heard
I see you there, singin' along with every word
And you are singin'

Keep rockin' 'til the early mornin'
Keep rollin' 'til the break of day
Keep playin' like there's no tomorrow
Keep sayin' what you got to say
Keep bringin' it all back home, boys
Keep singin', don't you ever stop
Keep rollin' 'til we say, it's over
Keep rockin' 'til you drop
For the words that keep me goin'
For time you shook my hand
When you seemed to understand
Got nothin' here that I can give you
Got nothin' new to save your soul
Got nothin' more, just rock n' roll
Keep rockin' 'til the early mornin'
Keep rollin' 'til the break of day

Keep playin' like there's no tomorrow
Keep sayin' what you got to say
Keep bringin' it all back home, boys
Keep singin', don't you ever stop
Keep rollin' 'til we say, it's over
Keep rockin' 'til you drop
