People

Superpitcher

We don't need people
We don't need people
We don't need people
No, we don't need, no
PeopleWe don't need people to be alone
We are together on our own
We don't need people
No, we don't need, no
PeopleNo... no peopleWe don't need people
No, we don't need, no
People
We don't need people to be alone
We are together on our own
We are together all alone
We are together on our ownTogether...
Together, all alone
Together, on our ownAll alone...
On our own...
