Break the Seal

Donald Cumming

Darkness gathers
Like the storm clouds
Pale sky falling
To the cold ground
Phone lines are turning
In the wind
Looks like I'm
Running slow againAnd it's easy to be alone
When it's nothing you want to feel
Ain't it easier when you know
Who broke the sealMorning rising
On thenew leaves
Windmill moving
In the cool breeze
New lives are dawning
In the field
Somehow I'm always
Underneath the wheelAnd it's easy to be alone
When it's nothing you want to feel
Ain't it easier when you know
Who broke the sealOld time music
Playing softly
Screen door hanging
By a hinge
Slow down baby
It's your first day
Higher flame means
Getting singedBlackbird circling
A bare tree
Dead girl floating
In Cat Tail Weeds
Phone lines are turning
In the wind
Newgoodbye
To my oldest friendAnd it's easy to be alone
When it's nothing you want to feel
Ain't it easier when you know
Who broke the seal
